

Senior Adults Ministry

If you are looking for a warm, supportive and welcoming group of Seniors, give us an opportunity to demonstrate our love. Every month the Young-at-Hearts provides great entertainment and fellowship over a covered dish meal. We go to concerts, plays, field trips and baseball games for fun. We will love and support you physically and emotionally. We will help you develop relationships with each other and God through our many opportunities to study the Bible and worship.

Our most popular activities are the many small groups that come together to study at 9:30 a.m. on Sunday morning. This is followed by worship at 11:00 a.m. in English in the Sanctuary or in Spanish in our fellowship Hall. On Wednesday evenings at 5:30 p.m. we have a cooked meal followed by a pastor led study. If you like to sing, consider joining the Reflections Choir, which rehearses at 11:30 a.m. on Tuesdays. They not only sing here but take programs to several of our local care facilities. We offer opportunities for serving the community through knitting, working in the food pantry, clothes closet, health equipment sharing, and doing minor home repairs. We are always open to suggestions of other activities to share.
